CHAIRMAN'S SPEECH

Dear Shareholders,

It's my pleasure to share with you the 16th Annual Report for the financial year 2020-21 of the Company.

We are currently faced with one of the greatest health crises of our generation, one that has severely impacted human lives and ravaged every economy across the globe. When India got introduced to the virus, the Government took prompt action and announced nationwide lockdown to curtail its spread. Social distancing became the need of the hour and economies came to a standstill. The pandemic has compelled people all over the world to make changes in their way of working and living. The second half of the year, however, saw an impressive recovery due to unlocking of restrictions, pick-up in economic activity, favourable government reforms, and mass disbursement of vaccine to halt the spread of the virus.

Performance Review

You would be pleased to know that our company - Ultra Wiring Connectivity Systems Limited has been honored with "IPF Fastest Growing Manufacturing Company Award" organized by IPF Industrial Excellence Awards 2021 under the category "Electrical and Electronics (Small SME)".

On the same line moving ahead I further wish to inform you that, your company is under planning to manufacture two new products under the segment of "Commercial Wipers" and "Mini Fuse".

We also bring into your kind attention that the Company has made a potential growth in the existing customer base of wiper blades.

Let me now move on your company's performance in financial year 2020-21. It has been a spectacular year of all round performances and achievements. We have achieved record sales and profits once again and we have made significant progress on several initiatives and projects that we had set out to accomplish this year. Your company has performed admirably.

Allow me to outline the key results:

- Total turnover increased by 14.36% to Rs. 2098.01 Lacs.
- Profit before Tax (PBT) grew by 15.38% to Rs. 1.39 Lacs.

Let's move on future outlook of the Company, in the light of COVID 19 pandemic, and the economic repercussions that we face globally, there will be initial disturbances in supply chain management, and aggregate demand reaching normal levels. There is downward sentiment overall, but your Company is confident of achieving similar growth levels in the coming financial year. Our strong brand value and market presence should help us achieve targets.

Lastly, we are looking to make our organization leaner and more effective, and have utilized team building tools to make the organization more effective and result oriented. We encourage decentralization of decision making and democratize information flow.

I would like to thank each and every stakeholder in the organization, most importantly the company's staff, executives and work force for their dedicated services. I would also like to thank all my colleagues on the Board for their valuable advice and constant encouragement.

May you and your Family stay safe and healthy!

With Warm Regards
Sanjay Mathur
Managing Director & Chairman

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

GLOBAL ECONOMIC REVIEW

The year 2020 was a challenging one with the onset of the pandemic and subsequent lockdowns in most of the countries, plunging the world economy into a deep recession. Although recent vaccine approvals have raised hopes of a turnaround in the pandemic later this year, renewed waves and new variants of the virus pose concerns for the outlook. Amid exceptional uncertainty, the global economy growth is expected to be 5.8% this year, a sharp upwards revision from the December 2020 Economic Outlook projection of 4.2% for 2021. World GDP growth is expected to be 4.4% next year but global income will still be some USD 3 trillion less by end 2022 than was expected before the crisis hit.

We all know that for three consecutive years 2018, 2019 and 2020 the automotive industry reeled from shrinking economic activity, rising competition, slowdown in BRIC economies, and tightening lending norms that dampened global demand and then came the knockout punch inflicted by the lockdowns amid COVID-19 in the first half of 2020, plunging automotive sales to historic lows.

But aided largely by the consumer shift towards personal mobility over public and shared transport, the auto industry is reviving at a faster than expected rate.

INDUSTRY STRUCTURE AND DEVELOPMENTS

In 2020, India was the fifth-largest auto market, with ~3.49 million units combined sold in the passenger and commercial vehicles categories. The two wheelers segment dominate the market in terms of volume owing to a growing middle class and a young population. Moreover, the growing interest of the companies in exploring the rural markets further aided the growth of the sector. India is also a prominent auto exporter and has strong export growth expectations for the near future.

In addition, several initiatives by the Government of India and major automobile players in the Indian market is expected to make India a leader in the two-wheeler and four-wheeler market in the world by 2020.

Domestic automobiles production increased at 2.36% CAGR between FY16-20 with 26.36 million vehicles being manufactured in the country in FY20. Overall, domestic automobiles sales increased at 1.29% CAGR between FY16-FY20 with 21.55 million vehicles being sold in FY20.

Overall, automobile export reached 4.77 million vehicles in FY20, growing at a CAGR of 6.94% during FY16-FY20. Two wheelers made up 73.9% of the vehicles exported, followed by passenger vehicles at 14.2%, three wheelers at 10.5% and commercial vehicles at 1.3%.

In order to keep up with the growing demand, several auto makers have started investing heavily in various segments of the industry during the last few months. The industry has attracted Foreign Direct Investment (FDI) worth US\$ 25.40 billion between April 2000 and December 2020, according to the data released by Department for Promotion of Industry and Internal Trade (DPIIT).

The Government of India encourages foreign investment in the automobile sector and has allowed 100% foreign direct investment (FDI) under the automatic route. In Union Budget 2021-22, the government introduced the voluntary vehicle scrap page policy, which is likely to boost demand for new vehicles after removing old unfit vehicles currently plying on the Indian roads. The Union Cabinet outlaid Rs. 57,042 crore (US\$ 7.81 billion) for automobiles & auto components sector in production-linked incentive (PLI) scheme under the Department of Heavy Industries, Also the SAMARTH Udyog - Industry 4.0 centres: 'Demo cum experience' centres are being set up in the country for promoting smart and advanced manufacturing helping SMEs to implement Industry 4.0 (automation and data exchange in manufacturing technology).

The Indian auto industry is expected to record strong growth in 2021-22, post recovering from effects of COVID-19 pandemic. Electric vehicles, especially two-wheelers, are likely to witness positive sales in 2021-22. A study by CEEW Centre for Energy Finance recognised US\$ 206 billion opportunity for electric vehicles in India by 2030.

PERFORMANCE OF THE COMPANY

During the period under review, the revenue from operations of the Company is increased by 13.67% to Rs. 2098.01 lacs as against 1845.75 Lacs in the previous year. Profit before tax of the Company is grew by 15.38% to Rs. 139.12 Lacs as against 120.58 Lacs in the previous year.

We have come a long way and today, we are recognized with “IPF Fastest Growing Manufacturing Company Award” organized by IPF Industrial Excellence Awards 2021 under the category “Electrical and Electronics (Small SME)”.

With a vision of sustaining leadership position in manufacturing competitiveness, your Company is working eagerly to increase product portfolio and new applications. Moving to achieve the goal the company is comprehensively

and proactively in process to develop a platform for manufacturing of two new products under the segment of “Commercial Wipers” and “Mini Fuse”.

Our work in the past few years in the area of auto wiper blades has given us the necessary base for potential growth in the existing customer base of wiper blades. The Company’s policy of product innovation and the range of new products already introduced would yield sustainable profitability in the long run.

OUTLOOK

In the light of COVID 19 pandemic, and the economic repercussions that we face globally, there will be initial disturbances in supply chain management, and aggregate demand reaching normal levels. There is downward sentiment overall, but your Company is confident of achieving similar growth levels in the coming financial year. Our strong brand value and market presence should help us achieve targets.

OPPORTUNITIES, THREATS AND RISK FACTORS

COVID-19 pandemic ensued **global economic downturn**, the most severe one since the Global Financial Crisis. It has affected both demand and supply. The lockdowns and social distancing norms brought the already slowing **global economy to a standstill**.

The automobile or automotive industry has also effected at higher pace. But it can strengthen the current position by setting up cheaper manufacturing units, analyzing the demand for electric vehicle, focusing on VFM vehicle-specifically the Asian markets, and by increasing its investment in R & D / innovation sector etc.

The main hindrance in growth of segments are vehicle regulations, customers’ bargaining power, recalling vehicles etc. Economic recession, increasing cost, and growing competitors are some of the main challenges in the industry. The automobile brands should keep these challenges in mind before taking any corporate decision.

However there are various opportunities available to the industry such as, prioritizing OEM (original equipment manufacturer), expanding existing market, following innovation keeping in mind the changing lifestyle and demand of public, bringing fuel efficiency in vehicles and by entering into new alliances.

The automobile industry symbolizes economic growth and freedom. It allows people an unimaginable lifestyle with luxury, freedom, and travel. It provides you an opportunity to perform multiple tasks with one vehicle that weren’t possible in the past.

This sector is indeed the world’s most profitable one. The economic recession, increasing cost, and growing competitors are some of the main challenges in the industry. The automobile brands should keep these challenges in mind before taking any corporate decision.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company's internal control procedures are adequate to ensure compliance with various policies, practices and statutes in keeping with the organization's pace of growth and Increasing complexity of operations.

The Company maintains system of multi-level internal controls which provides reasonable assurance regarding Effectiveness and efficiency of operations, safeguarding of assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records and the timely preparation of reliable financial information.

During the year, such controls were tested and no reportable material weaknesses in the design or operation were observed

HUMAN RESOURCE DEVELOPMENT

The Company believes that human resource is the most important assets of the organization. It is not shown in the corporate balance sheet, but influences appreciably the growth, progress, profits and the shareholders' values. During the year your company continued its efforts aimed at improving the HR policies and processes to enhance its performance. The vision and mission of the company is to create culture and value system and behavioral skills to insure achievement of its short- and long-term objectives.

CAUTIONARY STATEMENT:

INDEPENDENT AUDITOR'S REPORT

To the members of,
ULTRA WIRING CONNECTIVITY SYSTEM LIMITED

Report on the audit of Financial Statements

Opinion

We have audited the accompanying financial statements of ULTRA WIRING CONNECTIVITY SYSTEM LIMITED ("the Company"), which comprise the Balance Sheet as at 31 March 2021, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the accompanying financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify

our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

1. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
2. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
3. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:

- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) the financial statements dealt with by this report are in agreement with the books of account;
- d) in our opinion, the aforesaid financial statements comply with the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164(2) of the Act;
- f) we have also audited the internal financial controls over financial reporting of the Company as on 31 March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date and our report as per Annexure B expressed an unmodified opinion;
- g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

- i. the Company does not have any pending litigations which would impact its financial position;
- ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. there were no amounts required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2021;

Annexure A to the Independent Auditor's Report of even date to the members of Ultra Wiring Connectivity System Limited, on the financial statements for the year ended 31 March 2021

Based on the audit procedures performed for the purpose of reporting a true and fair view on the standalone financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.

(b) The Company has a regular program of physical verification of its fixed assets by which fixed assets are verified every year. In accordance with this program, the fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.

(c) According to the information and explanations given to us, the title deeds of immovable properties, as disclosed in Note 13 to the financial statements, are held in the name of the company.
- (ii) As explained to us, the inventory has been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material.
- (iii) In our opinion and according to information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, paragraph 3 (iii) of the Order is not applicable to the Company.
- (iv) The Company has not granted any loans or provided any guarantees or security to the parties covered under Section 185 of the Act. The Company has complied with the provisions of Section 186 of the Act in respect of investments made or loans or guarantee or security provided to the parties covered under Section 186.
- (v) According to information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of the directives issued by the Reserve Bank of India, provisions of Section 73 to 76 of the Act, any other relevant provisions of the Act and the relevant rules framed thereunder.
- (vi) In our opinion, the company is not required to maintain the cost records u/s 148(1) of the Companies Act for any of its products as the company has not crossed the threshold limits specified in the section.

(a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, goods and services tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no material dues of Provident Fund, ESI, Excise Duty, GST, Sales Tax, VAT, Service Tax, Income Tax which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) The Company has not defaulted in repayment of loans and borrowings to financial institutions and banks. The Company has not taken any loans or borrowings from Government nor has it issued any debentures.
- (ix) In our opinion and according to the information and explanations given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. The term loan raised during the year was applied for the purpose for which it was raised.

- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- (xi) According to the information and explanations given to us and based on our examination of the records, the Company has paid or provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3 (xii) of the Order is not applicable to the Company.
- (xiii) According to the information and explanations given to us and based on our examinations of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable. The details of such related party transactions have been disclosed in the financial statements as required by applicable Indian Accounting Standards.
- (xiv) According to the information and explanations given to us and based on our examination of the records, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3 (xiv) of the Order is not applicable to the Company.
- (xv) According to the information and explanations given to us and based on our examination of the records, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3 (xv) of the Order is not applicable to the Company.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, paragraph 3 (xvi) of the Order is not applicable to the Company.

Annexure B to the Independent Auditor's Report of even date to the members of Ultra Wiring Connectivity System Limited, on the financial statements for the year ended 31 March 2021

Independent Auditor's Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of M/s Ultra Wiring Connectivity System Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the financial statements of the Company for the year then ended.

Management's Responsibility for Internal Financial Controls

1. The Company's management and the Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

2. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of IFCoFR and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
3. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
4. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

5. A Company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

6. Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

7. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

ULTRA WIRING CONNECTIVITY SYSTEM LIMITED
NOTES TO FINANCIAL STATEMENTS FOR PERIOD ENDED 31ST MARCH, 2021
CIN - L31300HR2005PLC082730

NOTE

1 CORPORATE INFORMATION

Ultra Wiring Connectivity System Limited is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company is engaged in the manufacturing & selling of connectors, cable tie clips and allied components. The company caters to domestic market mainly with few exports.

2 SIGNIFICANT ACCOUNTING POLICIES

1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS (AS-1)

These financial statements have been prepared to comply with Accounting Principles Generally accepted in India (Indian GAAP), the Accounting Standards referred to in Section 133 of the Companies Act, 2013 read with rule 7 of Company (Accounts) Rules, 2014 to the extent applicable.

The financial statements are prepared on accrual basis under the historical cost convention. Accounting Policies have been consistently applied by the company and are consistent with those used in the previous year. The financial statements are presented in Indian rupees.

2 USE OF ESTIMATES

The preparation of financial statements in conformity with Indian GAAP requires judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/materialised.

3 REVENUE RECOGNITION (AS-9)

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales exclude Goods and Service Tax.

4 PROPERTY, PLANT AND EQUIPMENT (AS-10)

Tangible Fixed assets (Except Land) are stated at cost of acquisition less accumulated depreciation and any accumulated impairment losses. Cost comprises of the purchase price, net changes on foreign exchange contracts, adjustments arising from exchange rate variations attributable and attributable cost of bringing the asset to working condition for its intended use.

5 ACCOUNTING FOR GOVERNMENT GRANTS

Government grants are recognised when there is a reasonable assurance as to its receipt and that the conditions attached thereto shall be complied with. Government grants related to capital investments are reduced from the gross value of fixed assets and such grants relating to expenses are reduced from the related expense head.

6 DEPRECIATION

Depreciation on fixed assets is provided to the extent of depreciable amount on the Straightline Method (SLM) on the basis of useful life of the fixed assets. The company has adopted useful life of the Fixed Assets as prescribed in Schedule II of the Companies Act, 2013.

7 INVENTORIES VALUATION (AS-2)

Cost of inventory comprise cost of purchase and includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges.

Raw Material is valued at cost or Net Realizable Value whichever is less. The cost is determined mostly on FIFO basis.

WIP valued at cost of production, depending upon its level of completion.

Finished Goods valued at Cost of Production or Net Realizable Value whichever is less.

8 EMPLOYEE BENEFITS(AS-15)

Retirement benefits in the form of Provident Fund, which are defined contribution plans, are accounted for on accrual basis and charged to the Statement of Profit & Loss of the year.

The benefit in the form of Leave Encashment is a non accumulating short term compensated absences. It is accounted in the year when absences occur and charged to Statement of Profit & Loss of the year.

Retirement benefits in the form of Gratuity is accounted for in the accounts on the basis of estimate by the management and not on actuarial valuation.

9 BORROWING COSTS (AS-16)

Borrowing costs that are attributable to the acquisition of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

10 ACCOUNTING FOR TAXES ON INCOME (AS-22)

Company has followed accounting standard AS 22 for determination of tax expense in the accounts. Tax provision for current tax is made for income tax, based on the tax liability computed, after considering tax allowances and exemptions.

Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

11 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS (AS-29)

The company recognizes as Provision, the liabilities being present obligation arising out of past events, the settlement of which is expected to result in an outflow of resources and which can be measured only by using a substantial degree of estimation.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognised nor disclosed.

13 CASH AND CASH EQUIVALENTS

For the purpose of Cash Flow Statement, cash and cash equivalents include cash in hand and demand deposits with banks.

14 EARNINGS PER SHARE (AS-20)

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed using weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except where results would be anti-dilutive.

15 FOREIGN CURRENCY TRANSACTIONS (AS-11)

- i) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.
- ii) Monetary items denominated in foreign currency at the end of year are reported using the closing rate.
- iii) Non monetary foreign currency items are carried at cost using the exchange rate at the date of transaction.
Any Gain or Loss on account of exchange difference either on settlement or on translation is recognized in the Statement of Profit & Loss except in case they relate to acquisition of fixed assets, they are adjusted to the carrying cost of such assets.
- iv)

16 SEGMENT (AS-17)

The company operates in a single segment, no segment reporting is required by the company as of now.
